Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Brad Edelman, attorney of record, gave an overview of the invention and indicated he primarily wished to discuss independent claim 1. Mr. Edelman and Examiner Dunham focused the discussion on the last limitation of claim 1 and possible amendments that would define the invention over the prior art of record, Lilly. Specifically, the definition of "updated status" and clearer language indicating that the user has not completed the purchase were mentioned. Amendments to the limitations of dependent claims 4 and 5 were also considered for possible incorporation into claim 1. Examiner Dunham invited Mr. Edelman to send a draft copy of possible amendments before formal entry if he so desired .
